

Hyperrealism with Fabiano Millani Workshop Material List

1. Sketch

- A reference image will be sent a few days before the workshop.
- Draw or transfer your image. After sanding the screen, you will need to transfer your reference image. You can transfer the image however you want. One option is to use a grid to transfer the drawing. It is recommended that the sketch be done with colored pencils, preferably skin color.
- You can also transfer the design with a projector or colored carbon (not black).

2. Canvas

- Canvas of 40 x 50 cm (non-gesso)

3. Brushes

- Synthetic bristles, flat, soft and straight **in 2, 4, 6, 8, 12**

4. Additional supplies:

- Cloth to clean the brush
- Glass with odorless solvent to clean the brush
- Styrofoam tray, approximately 20 x 30cm

The necessary amount of oil paint needed for the workshop will be provided by Fabiano Millani himself.

All easels will be provided by the gallery.

PLEASE NOTE: Unfortunately we haven't got storage space to for all of your wet paintings in the gallery. Please organise a transport solution so you can carry the paintings safely.
